***THIS IS THE CALGARY POLICE SERVICE WITH A PACT MESSAGE FOR ALL  
COMMUNITIES IN DISTRICT 8***

During the past few weeks there have been reports of individuals going door-to-door in your area selling Honeywell alarm systems. The Calgary Police Service has investigated the situation and can confirm that these individuals are conducting a legitimate business. They work for APX alarms but are selling Honeywell products. If anyone comes to your door selling Honeywell alarm products you can verify they are legitimate by asking to see their identification. While the Calgary Police Service can verify that this particular door-to-door campaign is indeed legitimate, we do not approve or disapprove this product. If you have any questions, you may call the Dist 8 office at 567-6800 and ask for Cst. Stephan Paczulla.
